1. DD/A []	227 Admin				<p>The point raised by Ernie in the attached memo is occasioned by misinterpretation of the illustrative example raised in my memo. To wit: "Where pure subsidy activities are concerned, the Admin components have essentially no interest or requirements. The only essential requirement is that a responsible operating official confirm for the fiscal records of the Agency that govt. funds have been properly expended. Unfortunately I did not adequately define the term pure subsidy and Ernie has chosen to point out that in certain subsidy cases CIA has extensive interests & requirements. I believe we both are correct & no issue is involved."</p>
